

New Parent Car Seat Workshop offered to expectant parents & parents of newborns

- hands on workshop will teach participants how to disassemble & reassemble their infant seat
- how to harness the child
- correctly use and install the seat in their vehicle
- a 1-1.5 hour classroom session, with time allowed if you wish the instructor to come out and check your seat in your vehicle
- participants should bring:
 - your car seat (check age of seat to be sure it's not expired)
 - doll, or teddy bear to fit in seat
 - 2 receiving blankets
 - instruction manual for car seat
 - vehicle owner's manual (if you have it).

Workshops may be cancelled on short notice due to insufficient registration.
