

Providing Sexuality Education for Children and Young People with Disabilities

In order to learn personal safety skills, children and young people need to understand:

PUBLIC & PRIVATE

- ✓ public and private body parts, places and activities

BODIES & EMOTIONS

- ✓ basic information needed for daily self-care

SOCIAL DISTANCE

- ✓ how to approach and be approached by others

DIFFERENCE BETWEEN APPROPRIATE & INAPPROPRIATE TOUCH

- ✓ the amount of acceptable touch in different kinds of relationships

SAFETY PLANS

- ✓ what to do when subjected to inappropriate touching

CONSEQUENCES OF INAPPROPRIATE TOUCH

- ✓ what may happen if someone touches another person inappropriately
