## INJECTION SCHEDULE 2023-2024

This calendar indicates the dates for your injections. Occasionally, you may be a couple of days early or late, and that is no problem. If you have a blood test scheduled, it should be done just **before** an injection is due, to be sure the medication is lasting long enough. If you get "off schedule" please call the nurse to re-schedule your follow-up appointments.

Your medication: \_\_\_\_\_

Dose: \_\_\_\_\_ Frequency: every \_\_\_\_\_ weeks
